- A 1 201 FRP Reinforcements for special applications of c.a.
- A 1 202 Draining and sound-proof asphalts
- A 1 203 Special cements
- A 1 204 Special hinges, plates, connections and joints for large scale works
- A 1 205 On demand components and CCN
- A 1 206 Ecological materials
- A 1 207 Fibreglass and carbon fibre
- A 1 208 Multi-layered brick
- A 1 209 Mega extruded bricks
- A 1 210 Special steel alloys
- A 1 211 Aluminium alloys and derived substances
- A 1 212 Special copper alloys
- A 1 213 Special zinc-titanium alloys
- A 1 214 Pultruded and fibre-reinforced materials
- A 1 215 PCM (Phase changing material)
- A 1 216 Secondary raw materials and components
- A 1 217 Thermo-, photo and electro-sensitive materials and components
- A 1 218 Nanotechnology
- A 1 219 VIP (Vacuum Insulation Panel)
- A 1 220 Additive and special polymers
- A 1 221 Photocatalytic treatments and systems
